

Answer Key — ¿Tú o usted?

1. **tú** — Close friend / same age — informal.
2. **usted** — Authority figure at school — formal respect.
3. **tú** — Family member, younger — informal.
4. **usted** — Elderly person you just met — formal respect.
5. **usted** — Professional setting with a stranger — formal.
6. **tú** — Family member, close relationship — informal.
7. **usted** — Adult stranger providing a service — formal.
8. **tú** — Adults usually address young students informally.
9. **usted** — Authority figure / stranger — formal respect.
10. **tú** — Peer / same age — informal.
11. **usted** — Job interview with a superior — formal.
12. **tú** — Speaking to a small child — always informal.
13. **usted** — Phone call with a stranger in a business — formal.
14. **tú** — Immediate family — informal (in most families).
15. **usted** — Older adult + using a title (señora) — formal.
16. **tú** — Friend / teammate your age — informal.
17. **usted** — Adult stranger + 'disculpe' signals formal register.
18. **tú** — Close friend — informal.
19. **usted** — Customer service with a guest — formal.
20. **usted** — Professional with a title (Doctor) — formal.
21. **tú** — Pets always get tú — informal / affectionate.
22. **usted** — Adult stranger in public — formal.
23. **usted*** — Many families use usted with grandparents to show respect (*varies by family and country — some use tú).
24. **tú** — Classmate / friend — informal.
25. **usted** — Formal written communication with an official — formal.
26. **tú** — Sibling — informal, even if older.

Grading note: Accept any reasonable explanation that identifies the relationship (age, familiarity, authority, respect). For #23, accept tú OR usted with a valid justification — usage with grandparents varies by family and country.
